Re: *American Oversight v. U.S. Department of Commerce, et al.*, 18-cv-00534-KBJ
(D.D.C.): Treasury October 15 Production

Counsel:

This letter describes the initial production from the U.S. Department of the Treasury (Treasury) in the above-referenced Freedom of Information Act litigation. Pursuant to the Court's October 1, 2018 Order, Treasury is producing all internal, non-exempt portions of the calendars of Chief of Staff Eli Miller processed prior to the date of the Order. The calendars are numbered UST 000001 – 000240, and cover the period of January 23, 2017 (the date of Mr. Miller's first calendar entry at Treasury) through March 9, 2017. Portions of these materials are withheld pursuant to FOIA Exemptions 5 and 6. Additionally, several calendar entries involving officials in the Executive Office of the President have been sent to the Office of White Counsel for consultation.

If you have any questions concerning this production or a related matter, please contact Laura Hunt, U.S. Department of Justice, at (202) 616-8207 or laura.a.hunt@usdoj.gov.

Sincerely,

Ryan Law
Office of Privacy, Transparency, and Records

For Secretary Mnuchin to join us as our closing “fireside chat” on Friday, February 24 at 11:35am for 30-35 minutes. Our format is a moderated discussion with Q & A from our CEO membership. All sessions are off the record and closed press (all moderators who are with the press agree to abide by our same Chatham House rules). We have tentatively asked Sara Eisen of CNBC to conduct the moderated chat for 20 minutes followed by audience Q and A for 10-15 minutes (depending upon the Secretary’s schedule). Please let us know if that is ok with the Secretary. I can get your team a list of topics/questions and the Secretary should feel free to let me know if there is anything he would like to be asked.

Would you mind sending us the Secretary’s official bio and photo?

We are honored to him join us! Let me me know if you have further questions!

Warmest regards,

Marlene

Subject: Puerto Rico Update | Markets Room

Good morning,

Given the ongoing workstream on Puerto Rico-related matters, please find our updated PR market blotter below for your reference. PROMESA was signed into law on 6/30/2016 and the oversight board was appointed on 9/1/2016, hence those date ranges in the chart. As shown, the benchmark PR general obligation bonds have rallied substantially since then, but remain at distressed levels. We will continue to send updated blotters on a roughly bi-weekly basis unless specifically requested.
